

WHAT'S INCLUDED

ACCOMMODATION

We know living space is important! That's why we aim to blend cultural experiences, comfort and a great social scene all under one roof!

TRAVELTEER CAMP

To maximise the cultural experience of Costa Rica, volunteers will be staying in rancho's located close to the beach! The rancho includes single bunk beds with an open kitchen and communal area next door alongside a western toilet and shower block. Each bunk bed is supplied with a mosquito net.

All the buildings are made with sustainable and/or up-cycled materials to allow us to have the lowest impact on the environment and we encourage volunteers to consider their waste when planning their trip. We also have greenhouses and recycling units with a goal to become a zero-waste facility within the next 5 years!

We have a limited Wifi connection and solar panels for lighting and to charge devices. The camp is basic but living in the rainforest truly makes up for it! The nearby beach holds amazing views and volunteers can expect to fall asleep to the sound of the waves.

The open aired kitchen has a diner adjacent to it where volunteers can eat but also use it for socials. For relaxing, hammocks are the preferred choice!

WHAT'S INCLUDED

FURTHER INFORMATION

OPEN AIR ROOMS

All the rooms are open air meaning the building consists of a roof and floor (no walls). This is preferred in the rainforest as it means it's cooler for sleeping. The rooms are either sealed with mosquito mesh or mosquito nets for each bed to keep out any unwanted friends!

FILTERED WATER

A filtered water dispenser is provided on camp so that you have an unlimited supply of water. It's important that you bring your own water bottle so that you can keep refilled!

TOWELS & TOILETRIES

We advise you to bring two towels (one for showering and one for the beach). We don't provide things like shower gel and soap. However we make sure there is handwash available both in the rooms and around the accommodation.
