ALLERGIES

Travelteer take allergies very seriously! All chefs in our volunteering destinations are able to accommodate specific needs if notified ahead of time. If you are affected by any form of allergy, please let our team know in your pre-departure call.

WESTERN ALTERNATIVES

We believe that eating traditional food is a huge part of responsible travel and really completes the experience. However, if you do end up having difficulties with the local cuisine we will try our hardest to sort a simple western alternative.

SUPERMARKETS

Small supermarkets or shops can usually be found close to our volunteer accommodations in the nearest town - we recommend bringing some spending money with you just in case you're missing some home comforts!
